For my minor and the PPE Diversity Requirement	YES
For a distribution requirement and the PPE Diversity Requirement	YES
For my major, a distribution requirement, and the PPE Diversity Requirement	YES
For my minor, a distribution requirement, and the PPE Diversity Requirement	YES

Department/Program Chairs are permitted to make exceptions, but these are the guidelines.

¹For some interdisciplinary minors requiring more than five credits, a limited amount of overlap is permitted between minor requirements and major requirements of certain major programs. Consult the Registrar's Office for details.

²The Global Citizenship, Justice, and Diversity (GCJD) distribution requirement permits double counting with another distribution area. A single credit can apply to two different distribution requirements if one of those requirements is GCJD.
