December 2016

Greetings from Snowy Indiana,

Winter is back again. It seems we just celebrated Christmas a little while ago. Time flies when you are having fun, I guess.

It's also time to send our gifts to the College. Do it before December 31. Please join me in supporting our old school.

Here are a few ways alumni and friends can make a gift:

The Wabash soccer team was victorious over DePauw. That was the first Little Giant win in 17 years. 17 years! The men came close to winning the league title, but lost a close match with first place Kenyon College.

The football Little Giants had a good season --not great, but good losing only to arch rivals Wittenberg and DePauw. Witt won the league title while Wabash, DePauw and Denison tied for second. DePauw led the entire game until the 4th quarter when Wabash went ahead by 4 points. The Dannies came storming back and scored the winning TD with less than a minute remaining. 37-34. I can't say they had the better team, but they sure had the better QB, who rushed for 3 touchdowns and threw for 2. I'm glad he is graduating. Well, after losing for 7 consecutive years, it was time for the Dannies to have the Bell.

Wabash senior offensive lineman Kyle Stucker was named to the Academic All-America Division III First Team. Kyle is a rhetoric major with minors in chemistry and biology. His GPA is 3.82. Some Little Giant!

The cross country won the Little State for the 4th time in-a-row. Two men went to Nationals finishing 52nd and 90th.

The wrestlers won the tough North Central College West Tourney. 4 individual Champions and 13 top 6 finishers did quite a job. Some Little Giants.

The basketball team began the season at Hinkle Field House against the Butler Bulldogs. They lost by 50 points. In our day Wabash could play Butler even, but no longer. The Bulldogs are in the big time now.

The great Stan Huntman '54 passed away last month. He was one of the best athletes to come out of Wabash. Stan was the head track and field coach for many years at the University of Texas and head coach of the USA team during the Seoul Olympics. He was Some Little Giant indeed!

I received a nice note from Bob Brockfield recently. He was on one of the Honor Flights with 75 other veterans to DC. He said that hundreds of Cincinnatians were at the airport to welcome them back to town. It brought tears to his eyes. Bob served on a destroyer, the USS Brister. John Pence went into the navy at the same time as Bob, and I think they were in the same OSC class. John was naval attache in the Johnson White House. Good duty! Thanks for the note, Bob.

Hope all have a Merry Christmas, Happy New Year and great 2017!
