ALTERNATES/BACKUP SELECTIONS

List in order of preference. Include course and section number, meeting days, and start time. Include lab info when applicable. Indicate which course an alternate should replace when applicable.

1.	4.
2.	5.
3.	6.

NOTES:

1. Make sure to include applicable labs on the schedule for science and foreign language courses.
2. Students who would like to enroll in MAT-010 must email Josh Cole (colej@wabash.edu) their want/need by July 16th in order to be registered. MAT-010 is registration by permission of instructor and requires placement. Not all students need Calculus to meet the requirements of their major or minor.
